OUR TOWN

Aschersleben is the oldest town in Saxony-Anhalt.

This area was already settled in the Stone Age.

The town hall was built between 1517 and 1518.

Today Aschersleben has about 27.000 inhabitants.

As a free town Aschersleben was part of the Hanseatic league.

In our historical town centre there are lots of old buildings, towers and churches.

You can find nice parks and wells in Aschersleben.

In our zoo you can see two white tigers which are very popular.

You can do some sports in the swimming pools, on the tennis courts, skittle alleys, in sport halls or on sport grounds.
